Table of Contents: Pages 1-101

page 001: Proposal for stimulus response experiments on biological systems

page 002: Memo, Destruction of drug and toxin related files

page 003: Destruction of MK-Ultra Project files

page 004: Covert testing of materials on unwitting subjects

page 004: Human testing issues, U.S. citizens and foreign nationals

page 006: Covert Action Operations, chemicals and biologicals

page 007: Inspector General & Agency controls over MK-Ultra Projects

page 008: MK-NAOMI, destruction of toxin records, etc.

page 009: Explanation of exemptions

page 010: Behavioural control with chemical, biological and radiological materials

page 011: Scope of MK-Ultra, testing on animals and humans

page 012: Technical Services Division, biochemicals in covert operations

page 013: Adminstration, Legalities, Disclosure, Exemptions from audits

page 014: Administration, Inspector General, biochemical behavioural controls

page 015: Human behavioural control: radiation, electroshock, graphics

page 016: Record keeping; disabling and lethal substances.

page 017: Record keeping, capabilities and limitations of operational substances

page 018: Materials-behavioural and physiological changes in humans

page 019: Mk-Ultra specialists, management design & funding

page 020: Future evolution of the system, pharmaceutical products, links

page 021: Testing, development, environmental testing on unwitting subjects.

page 022: Working relationships with the Bureau of Narcotics for testing.

page 023: Contingent effects of covert testing, economic loss, sickness, etc.
Risk of physicians making correct diagnosis of covert testing.

Covert testing of substances and devices on unwitting subjects.

Risk of future release of information by unwitting test subjects.

Current estimates of Mk-Ultra capabilities.

Harrassment and disabling materials, Mk-Delta.

Logistics of covert testing.

Mk-Delta organization, field testing, interrogations.

Espionage operations, foreign developments in the field.

Recognition and countering of hostile intelligence activities. Human behavioural controls.

Basic research, procurement, testing, development of delivery systems.

Administration, filing, and record keeping issues.

Salaries, overhead, fees, related issues.

Administrative organization, research and development plans.

Administrative organization, research and development plans.

Section cover sheet, blank, Tab A.

Sensitive research areas: covert biological and chemical warfare.

Section cover sheet, blank

Percentage limits on invoices, certification, etc.

Chemical materials causing reversible, non-toxic aberrant mental states. Potential for discrediting individuals, eliciting information, implanting suggestions, etc.

Percentage limits on invoices, certification, etc.

Organization, technical control of projects, etc.

Progress reports.

Section cover sheet, blank.

Administration, Director's Office, Percentage limits on invoices.

Certification of Invoices.

Administrative organization of subprojects.

Research memoranda, Progress reports.

Certification of Invoices.

Hypnotic Experimentation Research:

page 054: Working committees, Administrative Plans, Field Demonstrations.

page 055: University Psychology Department, letter.

page 056: Report, letter.

page 057: University expenditures

page 058: Subprojects 5, 25, 29, and 49

page 059: Subprojects 5, 25, 29, and 49; equipment purchases

page 060: University psychology department memo.

page 061: Subproject 5, invoice

page 062: Subproject 5, invoice

page 063: Subproject 5, invoice

page 064: Transfer of research project to new University

page 065: Correspondence-University Psychology Department

page 066: Correspondence-University Psychology Department

page 067: University Expense Sheet

page 068: University Expense Sheet- Receipt

page 069: Check Receipt

page 070: Receipt Certification

page 071: Receipt - Mk-Ultra Subproject 5

page 072: Receipt - Mk-Ultra Subproject 5

page 073: Invoice - Mk-Ultra Subproject 5

page 074: Invoice - Mk-Ultra Subproject 5

page 075: Certification - Mk-Ultra Subproject 5

page 076: Finance Document - Mk-Ultra Subproject 5

page 077: Authorization & Time Schedule -Mk-Ultra Subproject 5

page 078: Mk-Ultra Hypnosis - 100 Subjects, 6 experiments.

page 079: Recall of hypnotically acquired information by signal

page 080: Expense Report - Mk-Ultra Subproject 5

page 081: Expense Report - Mk-Ultra Subproject 5

page 082: Covert Security Clearance authorization

page 083: Hypnotic experiment- technical details
page 084: Hypnotic experiment- technical details

page 087: Handwritten notes on experiments

page 088: Handwritten notes on experiments

page 089: Handwritten notes on experiments
